A Complete

School Management Software

Edu(cation) Plus

About Southern Ocean Software Solutions (p) Ltd:

Education Plus Software is a complete suite of applications that permit you to automate all aspects of school management or college management, including student information system, student grading software, student billing software or student attendance software. School Administration Software, nick named "Edu +", permits you to capture, manipulate and present student data in a meaningful manner, generating reports dynamically.

Our Team:

Southern Ocean's large team of software Engineers are experienced people drawn from an array of multinational software giants. Their innovative ideas blend with customized product development to satisfy individual needs. A Creative content writer with inputs provided by specialists from the education sector is another feather in our cap. Most important of all, both our website and our software are so designed to build a powerful and unique brand image thus becoming an interactive marketing tool.

Southern Ocean Software Solutions (p) Ltd

The Next Generation of
School Management Software

Edu(cation) Plus

WEB FEATURES:

Edu(cation) Plus

Features of Southern Ocean Software Management for schools:

- ▶ A unique web based software which helps in providing vital statistics of the school which can be accessed from anywhere in the world by the correspondent or the administrator through the internet or even a mobile device like a cell phone or a pocket PC.
- ▶ Will act as an online Parents -Teachers platform for continual assessment of the child and provide inputs about his/her performance, attendance, allround conduct and involvement/attitude, personality development and nutritional needs.
- ▶ Can help the student to know all the information about the school activities right from exam/test schedules and time-tables to up-coming events. Can also help the students to exhibit their talents and creativity on the bulletin board.
- ▶ Provides a performance appraisal about the teachers which will help the school authorities identify problem areas.
- ▶ All forms such as application, prospectus ,conduct, TC can be downloaded through the net from anywhere in the world. Even fee payment can be paid through the net via paypal arrangement.
- ▶ All billing and accounts related figures converted into valuable information.
